

Raisbeck Engineering 2011 Customer Price List

EPIC PERFORMANCE PACKAGES

Raisbeck Performance Systems are engineered to enhance specific operational areas of your King Air. We package these systems in particular combinations to take advantage of the positive synergistic effect they produce on the overall performance of each King Air model. We call this strategic integration "EPIC" for its impressive performance, money-saving package pricing and resulting FAA-Approved flight manual supplement with documented performance benefits.

NOTE: If your aircraft is equipped with high flotation gear, Raisbeck High Flotation Gear Doors must be installed to be eligible for EPIC package pricing, and are required by the FAA-Approved EPIC Flight Manual Supplement.

EPIC	TFPS	RARS	EPL	DABS	HFGD	CWLS	Customer Price	Customer Savings	Installation Time
EPIC PLATINUM™ – King Air 200/B200/B200GT Series									
EPIC PLATINUM	●	●	●	●			\$ 131,907	\$ 27,017	195 hrs
EPIC PLATINUM + CWLS	●	●	●	●		●	\$ 173,365	\$ 35,508	300 hrs
EPIC PLATINUM + HFGD	●	●	●	●	●		\$ 164,972	\$ 33,789	265 hrs
EPIC PLATINUM + CWLS, HFGD	●	●	●	●	●	●	\$ 206,429	\$ 42,281	370 hrs
EPIC GOLD™* – King Air 200/B200/B200GT Series									
EPIC GOLD		●	●	●			\$ 73,513	\$ 12,972	165 hrs
EPIC GOLD + CWLS		●	●	●		●	\$ 115,970	\$ 20,464	270 hrs

KEY TO ABBREVIATIONS

TFPS	Raisbeck/Hartzell Quiet Turbofan Propeller System	RARS	Ram Air Recovery System
EPL	Enhanced Performance Leading Edges	DABS	Dual Aft Body Strakes
HFGD	High Flotation Gear Doors	CWLS	Crown Wing Locker System
NWLS	Nacelle Wing Locker System		

INCENTIVE COMPLETION PRICING

Raisbeck offers a pricing incentive for customers looking to complete the *EPIC* Performance Package on their King Air.

NOTE: If your aircraft is equipped with high flotation gear, Raisbeck High Flotation Gear Doors must be installed to be eligible for *EPIC* package pricing, and are required by the FAA-Approved *EPIC* Flight Manual Supplement.

EPIC Completion Incentives for King Air 200/B200/B200GT, C90 and C90GT Series		
If one or more performance systems is required to complete an <i>EPIC PLATINUM</i> or <i>EPIC GOLD</i> (BB-1509 & subs/BY-1 and subs), the customer will receive a \$2,000 reduction from the Customer Price per performance system purchased.		
For example, if the aircraft needs the Ram Air Recovery System and Dual Aft Body Strakes to complete an <i>EPIC</i> , the customer would receive a total price reduction of \$4,000 from the Customer Price.		
Incentive Pricing Example	Incentive Customer Price	Customer Savings
Quiet Turbofan Propeller System (TFPS) – The Performance Props!	\$ 70,439	\$ 2,000
Ram Air Recovery System (RARS)	\$ 35,390	\$ 2,000
Enhanced Performance Leading Edges (EPL)	\$ 28,912	\$ 2,000
Dual Aft Body Strakes (DABS)	\$ 16,183	\$ 2,000
High Flotation Gear Doors (HFGD)	\$ 37,837	\$ 2,000

EPIC + CWLS Completion Incentives for King Air 200/B200/B200GT/C90/C90GT/C90GTi Series		
If an aircraft already has a complete <i>EPIC</i> installed and is ready to add Crown Wing Lockers, the Customer will receive \$2,000 off the Customer Price of the Crown Wing Lockers for completing the <i>EPIC</i> !		
Incentive Pricing Example	Incentive Customer Price	Customer Savings
Crown Wing Lockers System (CWLS)	\$ 47,949	\$ 2,000

COMBINATION PRICING

Raisbeck System Combinations provide money-saving discounts for purchases of Wing Lockers and Dual Aft Body Strakes.

Combination	Customer Price	Customer Savings
Crown Wing Locker System & Dual Aft Body Strakes		
200/B200/B200GT/300/350 Series	\$ 64,132	\$ 4,000
C90/C90GT/C90GTi/E90	\$ 64,132	\$ 4,000
Combination	Customer Price	Customer Savings
Nacelle Wing Locker System & Dual Aft Body Strakes		
100/A100/B100/F90	\$ 57,064	\$ 4,000

Raisbeck Engineering 2011 Customer Price List

INDIVIDUAL SYSTEMS

Raisbeck systems may be purchased individually, in money-saving combinations, or as complete *EPIC* Performance Packages with FAA-approved increased performance and weight capability.

King Air Model	Customer Price	Install Time
300/350		
Dual Aft Body Strakes (DABS)	\$ 18,183	35 hours
High Flotation Gear Doors (HFGD) – 350 only	\$ 39,837	70 hours
Crown Wing Locker System (CWLS)	\$ 49,949	105 hours

200/B200/B200GT		
Quiet Turbofan Propeller System (TFPS)	\$ 72,439	30 hours
Ram Air Recovery System (RARS)	\$ 37,390	60 hours
Enhanced Performance Leading Edges (EPL)	\$ 30,912	70 hours
Dual Aft Body Strakes (DABS)	\$ 18,183	35 hours
High Flotation Gear Doors (HFGD)	\$ 39,837	70 hours
Crown Wing Locker System (CWLS)	\$ 49,949	105 hours

100/A100/B100		
Quiet Turbofan Propeller System (TFPS – 100/A100 only)	\$ 69,841	75 hours
Dual Aft Body Strakes (DABS)	\$ 18,183	35 hours
High Flotation Gear Doors (HFGD)	\$ 39,837	70 hours
Nacelle Wing Locker System (NWLS)	\$ 42,881	105 hours

* Please contact the Raisbeck Sales Team for availability regarding 100/A100/B100 series HFGD.

F90/F90-1		
Quiet Turbofan Propeller System (TFPS)	\$ 71,901	40 hours
Dual Aft Body Strakes (DABS)	\$ 18,183	35 hours
High Flotation Gear Doors (HFGD)	\$ 39,837	70 hours
Nacelle Wing Lockers (NWLS)*	\$ 42,881	120 hours

* Please contact the Raisbeck Sales Team for availability regarding F90-1 series NWLS.

90/A90/B90/C90/C90GT/C90GTi/E90		
Quiet Turbofan Propeller System (TFPS)	\$ 69,841	50 hours
Dual Aft Body Strakes (DABS)	\$ 18,183	35 hours
Crown Wing Locker System (CWLS)	\$ 49,949	105 hours

Raisbeck Engineering 2011 Customer Price List

TERMS OF SALE

Pricing

1. Prices are effective January 1, 2011 through December 31, 2011 and are subject to change without notice.
2. Prices listed are for the complete STC kit only and do not include:
 - Shipping
 - Installation labor
 - Instrument re-marking where necessary
 - Painting

Shipping

- 1. Customer-specified shipping**
 - Provide carrier, insurance coverage, account number and service level with your order.
 - Special arrangements can be made upon request.
- 2. Default shipping (if no preference is specified by the purchaser)**
 - Freight charges not billed collect are due prior to shipment.
 - Delivery time for standard service level varies depending on the destination.
 - All kits ship via standard service level with insurance.
 - Propeller assemblies drop-shipped from the Hartzell factory in Piqua, Ohio.
- 3. All shipments are FOB point-of-origin. Unless notified, all shipments will have insurance. However, insurance may not provide full replacement value.**
- 4. Drop shipments exported outside a dealer's country**
 - Due to the extensive amount of research required to ensure proper compliance with importing countries, Raisbeck Engineering will charge a \$300 fee to all dealers exporting Raisbeck Systems that require a drop shipment outside of dealer's own country.
 - Raisbeck Engineering reserves the right to reject a drop shipment request if we cannot determine compliance with the importing country or U.S. export laws.

Installation

1. Installation times noted are average hours only. Actual installation hours may vary. Due to variation in aircraft paint schemes, paint is not included in installation hours.
2. The purchasing dealer must complete the installation or have written off-site installation authorization from Raisbeck Engineering, Inc.
3. Prerequisites may be required for the installation of some systems or use of performance data.
4. Instrument re-marking is required for some Quiet Turbofan Propeller System installations and is not included in the "installation time."
5. Customers retain old propellers for resale or dealer credit.
6. The Dealer/Installer is responsible for acquiring all required materials that are classified as Hazardous Materials such as anti-static paint, sealants, etc.

Returns

All returns are subject to a 15 percent re-stocking fee; shipping costs are the responsibility of the customer.
